Submit your technical abstract [here](#) by **October 15th 2016**. Abstracts must be 300 words or less. Presentations in PowerPoint have to be prepared for 20 min. duration and 10 min. Q&A session. Abstracts not chosen for presentation may be selected for the Poster Session at the discretion of the Technical Committee. Posters will be presented Sunday evening during the pre-dinner reception.

Sponsorship

Sponsorships are welcome from all facets of our industry: operators, service companies and manufacturers and software companies. Sponsorships can be established online [here](#). Sponsor logos will be displayed on conference banners and materials. Individuals from non-sponsoring service or manufacturing companies may attend (technical sessions only) for free, only one person per company. Sponsoring companies may send delegates to the full conference as shown below. Please contact menaps@perforators.org with any sponsorship questions.

Event Registration

The MENAPS 2016 conference will once again be a fully sponsored event, enabling the Symposium to be offered at no registration cost. The committee may need to restrict places based on the size of the venue on a first-come, first-served basis. Currently the maximum attendance will be 120 delegates. Please register online [here](#). Questions on registration can be directed to menaps@perforators.org.
