

# Asia-Pacific Perforating Symposium

## APPS 2018

CALL FOR PAPERS DEADLINE

JANUARY 19, 2018

Dear Member of the Perforating Industry,

We are excited to announce the 2018 APPS in Kuala Lumpur, Malaysia and we would like to extend a cordial invitation to present at our event on March 19-20, 2018. Please note that the deadline for submission is JANUARY 19, 2018 and if you have an interest in presenting, please send your technical abstract for Technical Committee's review and approval <https://perforators.org/apps-2018-technical-abstracts/> at

Submission categories to be considered are:

- Explosives Safety
- Productivity Improvement Case Studies
- Perforating Dynamics
- Perforating Modeling
- Perforating Testing
- Novel Perforating Concepts
- Incident Reviews
- Operational Efficiency Improvements
- Multistage Completions

On behalf of the 2018 APPS Committee, thank you for your consideration and support!

Clint Quattlebaum

Location: Kuala Lumpur, Malaysia

Date: March 19-20, 2018

Venue: Intercontinental Hotel, Kuala Lumpur

*It is our mission to facilitate the exchange of technical knowledge concerning the perforating technology and related technologies, by providing opportunities for professionals to enhance their technical and professional competence. The first International Perforating Symposium (IPS) was organized in Houston in 2008, which successfully lead to the next International Perforating Symposiums held biannually in different international locations, such as: Kuala Lumpur, Abu Dhabi, Amsterdam, Bogota, Muscat and Buenos Aires.*

To be a Committee Member, please send your request at [apps@perforators.org](mailto:apps@perforators.org)
