

2019 NAPS

(NORTH AMERICA PERFORATING SYMPOSIUM)

AND SAFETY FORUM

CALL FOR ABSTRACTS

DEADLINE: JUNE 7, 2019

DALLAS-FT. WORTH. AUGUST 5-6, 2019

Photo Credit: DynaEnergetics

You are cordially invited to join us for the 2019 North America Perforating Symposium and Safety Forum in Dallas - Ft. Worth, for an excellent opportunity to network within the global perforating community and learn about the latest perforating technologies. The Organizing Committee may need to restrict places based on the size of the venue on a first-come, first-served basis. Sponsoring companies may send delegates to the full conference according to their sponsorship level.

KEY THEMES:

- * Perforating Dynamics and Modeling
- * Energetic Testing and Technology Developments
- * Productivity Improvement Case Studies
- * Perforating and Energetic Safety

CALL FOR PRESENTATION:

The Committee is accepting abstract submissions for symposium presentations for the above themes until June 7, 2019. Presentation title, abstract, and presenter name should be submitted on our webpage <https://perforators.org/naps-2019-technical-abstracts/> to by the close date. Please note - formal conference papers are not required. For any questions, don't hesitate to contact the Technical Committee at napspresentations@perforators.org.

POSTER SESSION:

Abstracts not chosen for presentation may be selected for the Poster Session at the discretion of the Technical Committee. A dedicated time slot will be allocated for Poster Presentation.

REGISTRATION:

All guests must register through our online registration system here <https://perforators.org/events/naps-2019-safety-forum/>. You will receive a confirmation email once your registration request has been approved by the Registration Committee. For any questions, contact napsregistrations@perforators.org.

SPONSORSHIP:

Sponsorships are welcome from all facets of our industry: operators, service companies and manufacturers. The sponsors' logo will be displayed on the conference banners and sponsors' featured videos will continually display during sessions breaks. To submit your sponsorship, visit our webpage <https://perforators.org/2019-naps-sponsorship/>; for more details, please contact napsponsorship@perforators.org.
