

Phillip Crabtree,
CHEVRON

Matthew Clay,
CORELAB

IPS 2024 Co-Chairs, Phillip Crabtree and Matthew Clay, on behalf of IPS 2024 Committee invite you to attend:

IPS 2024 (International Perforating Forum) on May 13 -15, 2024, @ Moody Gardens Hotel & Conference Center, Galveston, TX for a two-day international event focused on the advancement of the perforating technology, safety and well productivity.

International Perforating Symposia have been held since 2008 all around the world. The first International Perforating Symposium (IPS) was organized in Houston in 2008, and it successfully led to the next International Perforating Symposia held biannually in different international locations, such as: Kuala Lumpur, Abu Dhabi, Amsterdam, Bogota, Cairo, Muscat and more.

MAY 13-15

**MOODY GARDENS
HOTEL & CONFERENCE CENTER
GALVESTON, TX, USA**

TOPICS:

1. Perforating Safety
2. Productivity Enhancement Case Histories
3. Perforating Dynamics and Computational Modeling
4. System Developments & Testing
5. Perforating 101
6. Operational Efficiencies

You may submit your abstracts for consideration until April 1, 2024
<https://perforators.org/ips-2024-technical-abstracts/> .
